

Dave: Like everything in my head had congealed, my nose, my mouth, my head itself, sucked back three mugs of honey water..

Seanan: Ah lovely

Dave: Then sucked back two cups of coffee, by this stage it was about 8:30, then went back to bed for half an hour.

Seanan: Ah ok, the flu's been knocking around, I mean I had it now, Youngjin has it as well you know, she's been, she had to take a day off work..

Dave Ah that's nasty.

Seanan Yeah, but it's okay for her, she can actually get away with that you know.

Dave Right, right, right.

Seanan Heh, you know I think when we get sick, we just have to go in and just do it..

Dave No choice man, I mean unless you...

Seanan I don't wanna be caught doing a make-up class, you know I mean, bloody hell. You know. I like the time off.

Dave Yep. Unless you're genuinely fucked, you make it in.

Seanan Well it's the end of the semester, well everybody kind of gets run down, just afterwards...

Dave That's the thing, because you can like, for June you have been goin solid, goin solid and you know you can't afford to let yourself get...but now yes, downtime is happening and I always...it's hilarious when I was working in Australia and New Zealand, I'd like work flat out for about 3 months at a time, just everyday basically...

Seanan Yeah and then take the...

Dave And then you know, I'd take off and I would literally, within probably, probably within about 2 days of taking off, I'd have to stop off somewhere for 3 days, because I'd just collapse, just everything, all the exhaustion would be building up and building up...

Seanan Ah, it's just like taking, it's like taking 10 transatlantic air flights or something, you know it's just jet lag.

Dave Kicks in big time.

Seanan I know.

Dave I remember lying in bed for two days in Napier once.

Seanan Ahuh.

Dave Hillarious was that I got there, emm, met a couple of guys in the hostel, they were all going out for beers. Alright, so I went out for beers, had 2 beers, went back to the hostel, didn't get out of bed for the next 2 days.

Seanan Bloody hell, 2 beers. That's not selling the Irish well abroad huh?

Dave Not at all.

Seanan Not selling the Irish well abroad. Actually tried to book hostels the other day in Berlin.

Dave Difficult?

Seanan Bloody, yeah, hard, you go to Trip Advisor, I like Trip Advisor cause they've got some good stuff, but eh, we try and pick the top 10, not a chance and I'm wondering you know, cause they all ask how old you are.

Dave Ahh.

Seanan You know, I'm kind of going, ok I'm 36, so I'm thinking, fuck is that gonna be held against me?
If I put down 26, I'm sure I'll probably get a place.

Dave Probably.

Seanan It's annoying.

Dave Is there anything going on in Berlin at the time you're there?

Seanan No, no.

Dave It's kind of, prime time for taking a holiday.

Seanan I mean you know, it's July August more or less, it's nuts. I don't even know why we are doing it. Like we got, airplane tickets we got cheapish, they went up, the dates we wanted to get, we tried looking at last Friday, then we looked on Monday and they went up 400,000...

Dave Holy shit.

Seanan Between Friday and Monday, I was like holy fuck, so we changed the date, got a cheaper deal and just booked the Eurail today, got that cheaper as well.

Dave Good, good, good, good, good.

Seanan But em, and then it's just all the little extra things. Book boats, book other things, Ryanair.

Dave Gotta love those boys.

Seanan I just, ahhhhhhh, I just, the thoughts of just getting on that airplane scares me, scares me, fuckin scares me. They're fine, they're cheap, but it's just.

Dave They're pretty bad.

Seanan Yeah they are.

Dave They're pretty bad.

Seanan They suck. Well, what can you do?

Dave Exactly man, exactly, ahhhh...

Seanan So what are you gonna do in the Phillies? Just just chill out?

Dave Gonna do a bit of diving, play a bit of golf, gonna do some paintball.

Seanan How did he escape the wife so early, so quickly?

Dave Well we booked this a couple of months ago, back in April. Ah like, it was a Saturday afternoon and I was booking them and I called him up and said listen.

Seanan He knew he was getting married back then did he?

Dave He did yet. I was like.

Seanan Sly bastard. I wonder how he, I couldn't do that.

Dave Hahahah.

Seanan In the future maybe. In the future, you know, it's possible.

Dave Well, apparently, she was right there and she gave permission no problem.

Seanan Lovely, lovely. That's cool.

Dave It's all good, it's all good.
