

### A sample Conversation between 3 People (Going to a Concert)

S = Statement

Q= Question

I= Interject

R=Response

CH=Change of Topic

1	<b>Alex:</b> Hey Jane, John, there is a musical concert in the park. You want to go see the band play?	S Q
2	<b>Jane:</b> I am done with my homework; I can go.	I
3	<b>John:</b> Me too. Let's go.	R
4	<b>Jane:</b> Hey, look at that sport car. Isn't it neat?	S Q
5	<b>Alex:</b> That is exactly the kind of car that I want once I get a good job. I bet it is very fast. I want mine to be red though.	R S
6	<b>Jane:</b> Keep on dreaming, Alex. That car costs a fortune.	R
7	<b>Alex:</b> It does not hurt to set high expectations. Maybe one day I will make a lot of money, and I might surprise you.	R
8	<b>John:</b> Talking about cars, why is the traffic so heavy today?	CH Q
9	<b>Alex:</b> People are probably heading toward the park for the concert. The band does play pretty good music.	R
10	<b>Jane:</b> Yes, it does. For the last three years, I have never missed the concert. I have always arranged my schedule so that I could attend the event once the band was in town.	S
11	<b>John:</b> How long ago did the band start playing at our park?	Q
12	<b>Jane:</b> I think it started this tradition five years ago before you moved into our neighbourhood. Every year it always arrives the first week of June to play for the whole week.	R
13	<b>Alex:</b> You will enjoy this evening, John. There will be good Country music, a lot of stomping around, and definitely a lot of hollering.	S
14	<b>John:</b> It sounds like fun.	R
