

Practice

Students are allowed to look at their Speaking Pages 1 & 2.

Students are free to make mistakes.

Speaking Steps

Step 1: Share Speaking Page 1 – Boxes 1-4 (15 minutes)

Step 2: Start Speaking using Speaking Page 2 (45 minutes)

(Remember it is an Interaction, **not** a presentation or interview)

Teacher's Role: Move around class, note down mistakes/positives, join groups, help them, give them ideas

End of class:

1. Groups discuss how to make the next class better (more research, more pictures, more questions...good idea to research your members' topics...get to know their topics)
2. Notes go on Board – class corrects them together (different colored chalk, systematic)
