

Seanan	Ah, it's a good laugh. The last time I was in the Philippines was, was with Youngjin, it was 3 days or something.
Dave	Was that like in Boracay or something?
Seanan	Nah, Cebu, we stayed in the Hilton like 3 or 4 days. It cost us a whack of money but eh, it was great to just chill out, do nothing you know.
Dave	That's good.
Seanan	But Rameyon came with us.
Dave	What sorry?
Seanan	Rameyon came with us.
Dave	Your joking?
Seanan	Well you know, the suitcase was big enough.
Dave	That's hilarious.
Seanan	It will happen in Europe as well I guess, you know, but eh, oh I don't mind, is a bit of a snack in the hostel, you know.
Dave	Exactly.
Seanan	It's nice.
Dave	Keeps you.
Seanan	Keeps you from starving.
Dave	That'll be nice, ayh, that'll be nice. Ugh. Ah you're, you're back to wearing the old original are you?
Seanan	Well em, ah no yeah this, I'm afraid of scratching the other thing, you know.
Dave	I know what you mean.
Seanan	I can I can em, I was up in Debec Plaza and they have eh, ehh, an Omega store there...
Dave	Umhm
Seanan	...and I mean I think I can drop it in there, but it's gonna take 6 weeks or something to get it back.
Dave	Have you, have you scratched it already?
Seanan	No, but if, if I do, I wanted to check it out so, I was online kind of going, you could do it yourself hmhm...
Dave	Hmmmm
Seanan	...not too sure about that, eh or you can bring it to the shop, the official shop and it will take about 6 weeks and I'm like, I don't really trust that thing either, what are they gonna, send it back to Switzerland and bring it back here.
Dave	Why does it take 6 weeks?

Seanan	I don't know, to make it look as if it's worth something, I guess.
Dave	Yeah. And is there a life-time warranty on it?
Seanan	I think it does, yeah...
Dave	Right.
Seanan	...but not sure that's gonna cover scratches, I think that's, that probably covers em..
Dave	Mechanical...gear
Seanan	Internal stuff yeah.
Dave	Yep, that would make sense. Ughh.
Seanan	But em, yeah all fun, all fun.
Dave	It is indeed. It is indeed.
