

Rodney:	It's been out for a while, but they've done some changes, the first day I bought it, I was coming home on it and I was just you know kind of messing around, but just out of nowhere I popped this huge wheelie and I wasn't even meaning to do it and like it went up and it came back down and like I swear to god like my face was just white, I said never again. It's crazy.
Jarred:	You know that super bike...
Tim:	Rodney scared on a bike
Rodney	I was man, I wasn't expecting the clutch to be like that grippy, cause I've been riding around on bikes for a long time...
Tim	Ah yeah.
Rodney	... and even that one I had here, the yellow one, it was so heavy, man it just lifted right off the ground. Hoo. It scared me.
Jarred	They're, they're making some big...
Seanan	A good shock in your pants. Huh?
Rodney	Yeah
Jarred	My dad drag raced a bike for years and years, his friends would always get these new superbikes, ah try out my bike and he would take it for a spin, I mean just recently he took out a friends of his and he was like wow, they've gotten better.
Rodney	Oh yeah.
Jarred	They've improved.
Rodney	Fuel injection does a lot.
Jarred	But even after the fuel injections, they've had some kind of crappy.
Rodney	Yeah, no I I was riding with a friend last summer. We went like Columbus down to Whelan West Virginia and up along the Ohio river and there was this one spot where I know the road is just like straight for like 3 miles you know, so I just gunned it. I had it up to 150 and that's when I was like ok, it's time to, time to back off. I just wanted to get it up to 150 and then
Jarred	Did you hear about the guy, where is it Minnesota, I think it was Minnesota, got a speeding ticket for 209, 209 miles an hour, and magazine, what it was was an airplane.
Rodney	Uhuh
Jarred	They got the airplane surveillance in that area
Rodney	Uhuh
Jarred	And they went by the lines on the street. They clocked him at 209 and so he got a

	ticket in the mail for 209
Rodney	Wow, he's lucky they didn't arrest him.
Jarred	Bike magazine started trying to contact him, seeing what bike he's got, what did you do to get it up to 209...
Rodney	Yeah
Jarred	What kind of modified bike...
Sean	Airplane speed camera. I like that
Rodney	Yeah.
Jarred	He never answered, he never answered...
Rodney	A lot like the Moto GP bikes
Sean	That's a good open stretch, Jesus, 209.
Rodney	He's probably afraid they're gonna show up and take it away from him.
Sean	And Rodney's sort of like, yeah that was me.
Rodney	Hahaha..That's crazy, 209...
Sean	When are you bringing your bike over here?
Rodney	Ah, I'm gonna look into it this summer.
Sean	Yeah.
Rodney	Yeah.
Sean	Are you bringing your new once across, no?
Rodney	I don't think so, it's got tax on it and stuff.
Sean	I can imagine yeah
Rodney	I gotta go, see you guys.
